# Welcome Mentors

Welcome to Skillkart! We are thrilled to have you join our community of experts, and educators, in HR Expertise trainers and Mentors.

As a mentor on our platform, you have the opportunity to share your knowledge and experience with a wide audience of learners who are eager to develop their skills and advance their careers. We believe that your guidance and support will be invaluable to our learners as they work towards their goals.

Again, welcome to the Skillkart community. We look forward to working with you and helping you succeed in your role as a mentor.

# Why We have Started this community

We have seen and Experienced that Students especially from Tier 2 and Tier 3 cities often get left out in this highly competitive world. This community is developed and designed to help the students to overcome challenges and set the right path and mental awareness toward their career and scale up with the right direction especially early years of their career.

We are operating and looking to collaborate with you to help our mentees.

## Provide Expertise and Guidance

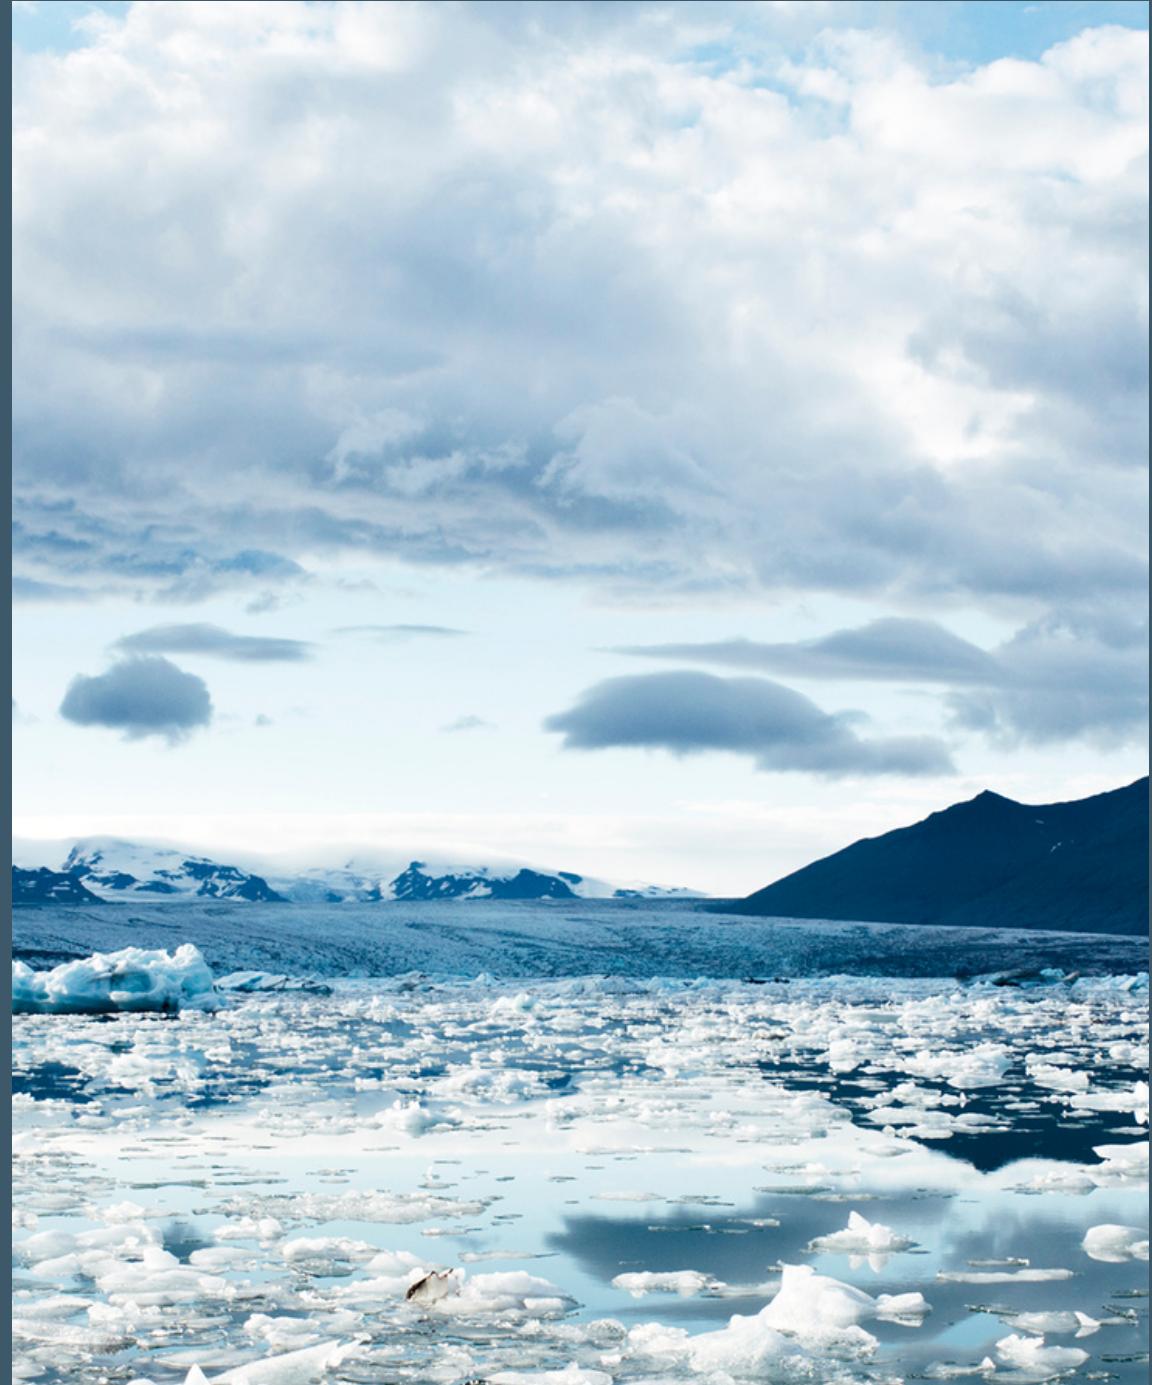

You being an Expert in the domain provide how to prepare and excel in the desired field with the right technical preparation

## Offer personalized support

when a qualified and experienced mentor who himself has fought the war guides it gives immense confidence boost to mentees

## Build confidance and Motivation

A helping hand who guides in the right direction is the biggest friend in adversity with that thought our mentees are looking forward to learning from you.

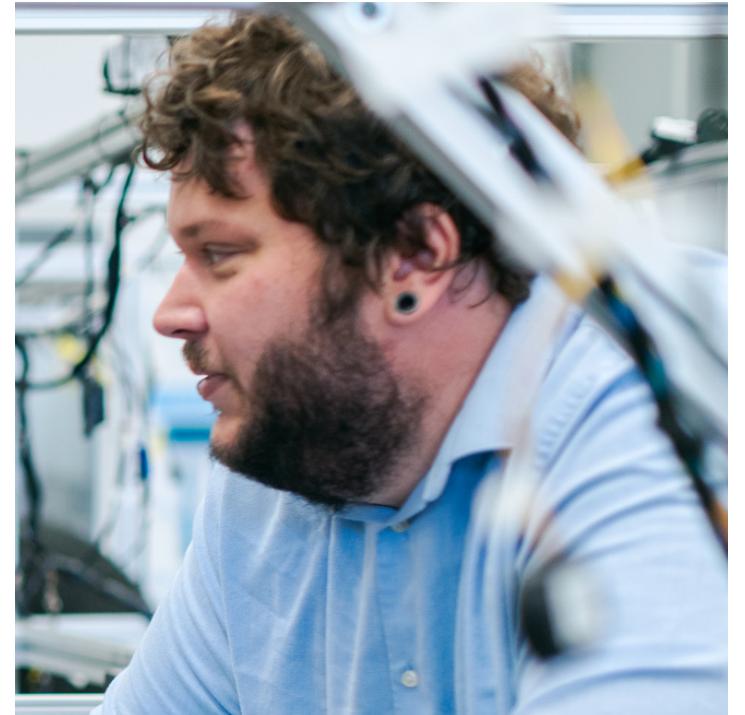

# What We have to offer you

- Professional Development
- Networking Opportunities
- Recruitment Opportunities
- Recognition and Exposure
- Personal Satisfaction
- Financial opportunities
- Be part of the change

## Recognition and Exposure

All work are not done for monetary benefits, Teaching is one of them, Being a mentor with Skillkart will give you recognition and exposure to build the future of mentees.

## A Side hustle which is not moonlighting

Teaching is a noble profession, and while being a mentor in Skillkart.app we incentivize four for every hour you spend on our platform.

# What we expect from you

Overall, the responsibilities of a mentor on an online mentorship platform will vary depending on the specific expectations and needs of the mentorship relationship. However, in general, a mentor should be able to provide expertise, facilitate learning, stay organized, respond promptly, and maintain confidentiality in order to effectively support the learning and development of their mentees.

## Dedication and regularity

We expect you to be regular, with minimum cancellation and rescheduling of the session. Also do take at least 4 hours a week for your mentees.

## FACILITATE LEARNING

The objective of every session is to add value to the learning curve of the mentee. Please guide them on what they should learn more and improve more.

## Keep the session organized and informative

We expect that you take all the sessions in a professional way, where you judge a candidate on various life and technical skills.

## Regular Feedback is Must

Detailed, descriptive, constructive feedback is the key ingredient for a successful session, detailed feedback is mandatory to complete the session.
